INDEX OF SUBJECTS

(*Original Article; **Short Communication; (R) Review Article)

A

A documented cross-indexed manual to human drug interactions, 165
Abrus precatorius as a substitute for liquorice, 102**
Abrus precatorius, studies on the antibacterial activity of, 203
Abstracts of papers to be presented at the Scientific session, 197
Acetyl acetone derivatives, antibacterial activity of some, 67**
ACTH and pregnenolone—16a—carbonitrite (PCN) on zoxazolamine — metabolism and liver ultrastructure in rats, effect of, 202
Adina cardifolia, preliminary pharmacology of acetone extract fractions of wood of, 203
Adulterated drugs and their standardization, 208
Alkaloids from Indian *Crotalarias*, the pyrrolizidine, 1(R)
Amidopyrine by gravimetric method, estimation of, 200
4-Aminophenol in paracetamol, colorimetric estimation of, 120**
Analgin, estimation of, in pharmaceutical formulations 189**
Analytical metabolic chemistry of drugs, 196
Analysis of amines and quaternary ammonium compounds, acid dye method for the, 77(R)
Annual drug data Report, 106
Anthelmintic activity of some N-substituted anthranilic acid derivatives, 177**
Anthranilic acid derivatives, anthelmintic activity of some N-substituted, 177**
Antianginal drugs, 195
Antibacterial agents, pyrazolium salts as, 69**
Anticancer activity, diphenyl sulfide and sulfone-diisothiocyanates with, anthelmintic and, 13*
Anticancer agents, synthesis of potential, 199
Antifertility studies on Unani Herbs Part II, Antiovulatory effects of *'Hanzal'*, *'Halun'*, *'Kalonji'* and *'Sambhalu'*, 100**
Antiovulatory effect of a saponin from *Albizzia lebbek*, Benth, 209
A patient drug profile, 210
A psychopharmacological analysis of stereotyped behaviour in rats, 200
2-Aryl-imidazo-(2:1b)-pyrido-(3:2d)-thiazoles and 2-aryl-pyrido-(3:2d)-thiazolo-(3:2a)-s-triazine 1:3-dione as possible anthelmintic agents, synthesis and study of, 199
3-Arylimino-2H-5, 6-dihydro-1, 4-thiazines and related heterocyclic amidines, synthesis and antihypertensive activity of, 197
Atropine, strychnine and quinine in dosage forms, acid-dye method for the analysis of 160**

B

Bentonite gel, reaction of, to surface active agents, 124**
Bentonite gel, viscosity and rheological changes in, 71**
Berberine hydrochloride and hydroxyquinoline derivatives; estimation of, in dosage forms by nonaqueous titration, 151**
Bignonia magnifica: (b) rutin from the leaves of, 207
Bile salts on the dissolution and absorption rates of drugs, influence of 98**
Biochemical values in clinical medicine, 166
Book Reviews, 74, 105, 129, 164, 194.
Bupleurum falcatum Linn., part II—pharmacognostical study of the fruits of,—pharmacognosy of the commercial caraways, 52**

C

Caraways, Pharmacognosy of the commercial, Part II—Pharmacognostical study of the fruits of *Bupleurum falcatum* Linn., 52**
Cardiac glycosides of *Thevetia peruviana* and *Cerbera odollam*, 107 (R)
Cellular pharmacology, the effects of drugs on living vertebrate cells *in vitro*. 194.
Centratherum anthelmintica Kurtz, pharmacognostic studies of, 207
Chloramphenicol palmitate suspension, stability studies on, 206
Claviceps purpurea, studies on the saprophytic production of ergot alkaloids by, 206
Clerodendron in inerme, chemical examination, of the leaves of, 191**
Comparative pharmacognostic study of *'Sirish'* barks, 208
CNS acting drugs on hypoxic tolerance in mice, 200
Concepts in biochemical pharmacology, 164
Costus speciosus sm., antifertility activity of, 114**
Crotalarias, the pyrrolizidine alkaloids from Indian, 1(R)
Coumarins from *Trachyspermum roxburghianum* and *Apium leptophyllum*, 127**

D

D-Cellobionolactone, preparation and study of, 209
2H-3, 4-Dihydro-1, 4-benzoxazin-3-on-4-yl-acetic acid, derivatives of, 58**
Dioscorea deltoidea in subtropical plains of India, cultivation of, 38**
Diosgenin isolated from *Costus speciosus* sm., experimental study on estrogenic activity of, 35**

Diospyros montana Roxb, antibacterial activity of leaves and seeds of, 93**
Diphenhydramine hydrochloride and ephedrine hydrochloride in cough mixture, a method for the estimation of, 33**
Diphenhydramine hydrochloride, spectrofluorometric determination of, 199
Diphenyl sulfide and sulfone—diisothiocyanates with anthelmintic and anticancer activity, 13*
Drug absorption study by mesenteric perfusion method with other in situ method, comparative, 18*

E

Effect of glucocorticoids on the cardiovascular response in experimental haemorrhagic shock, 202
Emblica officinalis Gaertn tissue cultures, effect of phenylalanine and glucose on growth and phyllemblin production in, 154**
Enteric coating agent, preparation and evaluation of a new, 204
Erigeron canadensis Linn, preliminary pharmacological studies on, 62**
Erythromycin, a new colorimetric method for estimation of, 87**
Estrogenic activity of diosgenin isolated from *Costus speciosus* Sm, experimental study on, 35**

F

Formaldehyde vapour and solution on drug release from hardened medicated pellets, effect of, 89**

G

Gamma radiation, effect of high doses of, on the biopotency of procaine hydrochloride, 116**
Genus cymbopogon, its botany and pharmacognosy, 209
Granulating agents; effect of various, cn dissolution rate of sulphadiazine from its tablets, 179**

H

Health Services in Britain, 166
Histopathological biochemical and electrocardiographic alteration after myocardial infarction in pigs and their role in diagnosis, 202
Hospital pharmacy, why manufacture?, 210
Human pregnancy, the appearance of some blood boume substanes during, 201

I

Indian Pharmaceutical Guide, 1973, 194
XXV Indian Pharmaceutical Congress, 197
Inhibition of catecholamine and vasopeptides by morin on rat blood pressure and isolated tissues, 201
Industrial pharmacy of indigenous medicines, (ayurveda, siddha and unani) with particular reference to the innate problems pertaining thereto, 210
Introduction to biopharmaceutics, 105
Iodochlorohydroxyquinoline in pharmaceutical preparations, estimation of, 90**

L

Laboratory tests in common use, 164
Leptadenia reticulata, chemical components of, 209
Liquid paraffin by mixed nonionic surfactant system, solubilization of, 121**
Liquorice, *Abrus precatorius* as a substitute for, 102**
L-Lysine monohydrochloride, in pharmaceutical preparations by T.L.C., quantitative estimation of, 198
Local anaesthetics, antibacterial activity of some, 158**
Local anaesthetics, studies on, 96**
Local anaesthetics: 3 substituted amino-(2'-, 3'-and 4'-benzyloxy - propiophenones and their derivatives, 135**
Local anaesthetics, synthesis of some, new, 170**

M

Mechanisms of homogenous catalysis from protons to proteins, 194
Menadione or menadione sodium bisulphite in pharmaceutical preparations, colorimetric method for the estimation of, 200
Microencapsulation of drugs, studies in, 204
Microencapsulation, enhancement of flow characteristics of tablet diluents by, 205
Microencapsulation with methacrylic polymers, 205
Microencapsulated powders, studies on, 131*
Micro-capsulation, studies on, by coacervation, 26**
Microscopy in the pharmaceutical industry, problem solving with light, 204
Modified cellulose as a tablet diluent, 204
Molecular orbital calculations for the design of radioprotective drugs, 198
Molecular orbital studies on the drug action of radioprotective agents, 198
Morinamide hydrochloride, synthesis of, 126**
Mowrah butter, study of, (seed fat of *Madhuca indica*) as an ointment base ingredient, 54**
Musk (Kasturi), cardiac and CNS actions of, 169**

N

Nicandra physaloides, structure of nicandrenone from, 123**
N-Mannich bases of 1-α-napthylamino-cyclohexane-1-carboxylic acid amide and 1-o-toluidinocyclohexane-1-carboxylic acid amide as potential analgesic/spasmolytic stimulants-XI, studies on the syntheses of, 199
5-Nitro - 2 - (1-substituted-4-piperazinyl) - benzthiazoles, 2-(1-substituted-4-piperazinyl)-pyrido (3 : 2d)-thiazoles and allied compounds as possible anthelmintic agents, synthesis and study of, 199

O

Oral hypoglycaemic and diuretic drugs by TLC using metal ions, identification of, 181**

Oxytetracycline hydrochloride in ointments, stability of, 174**

Oxytetracycline – magnesium nicotinate complex, 85**

Oxytocic activity, bioassay of, by unequal dose ratios, 183**

P

Papain, release of, from ointment bases, 192**

Paracetamol, determination of, 199

Paracetamol and phenacetin, colorimetric method for estimation of, 172**

Paracetamol, titrimetric method for estimation of, 187**

Pesticidal contamination of spices—examination of dry chillies grown in Andhra Pradesh, 207

Pharmacognostical studies of the leaves of 'Tejpat' cinnamomum species, 208

Pharmacognostical studies on the rhizome of *Nelumbium nuciferum* Gaertn, 207

Pharmacognostical studies of the unani drug 'Afsanteen' (*'Artemisia absinthium'* L), 208

Phenobarbitone-urea eutectic mixture, dissolution and absorption studies of, 41**

Phyllemblin isolation, identification and screening of, from *Emblica officinalis* Gaertn tissue culture, 23*

Physalis ixocarpa leaves, steroidal lactones of, 36**

Plant tissue cultures, presence of free and bound amino-acids in, 63**

Plastic granules, effect of sorption and leaches of, on the stability of antimicrobial agents and antioxidants, 47*

Polyalthia longifolia, preliminary investigations on the antibacterial activity of leaves and oil of, 118**

Polyethylene plastic containers and certain preservatives and vitamins, interactions between, 155**

Polyglycerol esters—Part III, studies in, stability, toxicity and compatibility of polyglycerol stearate with pharmaceutical adjuvants, 140*

Polyglycerol esters, sustained release capsules using, 146*

Prangos pabularia Lindl. (Komal), pharmacognosy of fruits of, 28**

Predictive toxicometrics, 165

Principles of Regulatory Drug Analysis, 105

Procaine hydrochloride, effect of high doses of gamma radiation on the bio-potency of, 116**

Publications Received, 76, 106

Pyrazolium salts as antibacterial agents, 69**

Pyrogen testing and hospital pharmacy, A report, 210

Pyrrolizidine alkaloids from Cynoglossum zeylanicum Thumb. ex. Lehm. and *C. lanceolatum* Forsk, 207

Pyrrolizidine alkaloids for the preparation of pharmacodynamic compounds, utilization of, 197

Q

Quaternary ammonium compounds, acid dye method for the analysis of amines and, 77(R)

R

Research Papers, 13, 47, 131

Review Articles 1, 77, 107

Rheograms produced by simultaneous rotation and lowering of viscometer spindle into sample, 161**

Role of viscosity in liquid oral formulations, 206

S

Schizosaccharomyces pombe in the assay of pantothenic acid and its salts, studies on the use of, 205

Search for new drugs, 165

Sesamum indicum Linn., tissue cultures, production of sterols from, 163**

Short Communications, 26, 52, 85, 114, 151, 167

Sodium citrate in pharmaceutical prepartions, estimation of, 198

Solanum elaeagnifolium Cav., A potential source of solasodine, 94**

Stachytarpheta indica, (a) chemical examination of the leaves of, 207

Strychnos potatorum Linn., seeds, study of triterpenes and sterols of, 206

Studies on medicated pellets hardened with formaldehyde vapour, 205

5-Substituted and 4-5-disubstituted 2, 3, 4, 5-tetrahydro-1-benzoxe-pines and n-substituted 2, 3, 4, 5-tetrahydro-6H-1, 6-benzoxazocines as CNS agents, 197

3-Substituted - 7 - chloro-5-phenyl-1, 3, 4-benzotriazepin-2-ones, synthesis and CNS-activity of, 197

N-Substituted indanamines as potential antidiabetic agents, some, 200

Surfactant concentration, effect of, on medicament release from ointment bases, 66**

Surma—(collyrium its place and scope as a unani drug), 209

Sustained release capsules using polyglycerol esters, 146*

T

Tetrazoles from 3-oxo-4-eno and 2o-oxo steroids and their spectral studies, 197

The Handbook of Drug Laws, 105

The neuromuscular and other blocking actions of a new series of mono and bisquaternary azasteroids, 201

Thevetia peruviana and *Cerbera odollam*, cadiac glycosides of, 107(R)

Thevetia peruviana, chemical constituents of the flowers and fruit pericarp of, 209

Thioureas and guanidines derived from *p*-amino n-butyl and *iso*-butyl benzoates, synthesis of some new, 30**

The toxicity test for antibiotics, some factors influencing, 203

4H-1, 2, 4-Triazoles in narcosis, experimental study on effect of substituted, 203
1, 1, 3-Tricyano-2-amino-1-propene on neuronal RNA synthesis and endocrine metabolism in mammals, inter-related effects of, 201

U

Urinary excretion of nitrofurantoin from nitrofurantoin tablet of different pharmaceutical firms, 203

V

Vitamin D_2 in presence of vitamin A in multicomponent drug formulations by T.L.C. and column chromatography, quantitative estimation of, 198

W

Warfarin sodium, estimation of, with lithium methoxide, 186**
WHO expert committee report on specifications for pharmaceutical preparations, 166

Y

Youth and Drugs; 166
